

SUMMER SENSATIONS

JULY & AUGUST SPECIALS AT DERMATOLOGY ASSOCIATES OF THE BAY AREA

COSMETIC SPECIAL

Introducing Sculptra® Dermal Filler

Sculptra® is a safe, synthetic material that is injected into the face to provide a gradual and significant increase in facial volume in order to improve deep facial wrinkles. A clinical study showed that the effects lasted for up to 2 years in most patients.

First Session \$800 (1 vial)

Second Session discounted 20% (\$600 for 2nd vial)
